The month of October is a time set aside to remember all victims of Domestic Violence and to become more aware of its impact on our community and of ways to prevent it. We begin this year's observance of **Domestic Violence Awareness Month** with a **Candlelight Vigil at Simplot Square on Wednesday, October 1 – 7:00 PM.**

Participants in the service are from the Family Services Alliance of Southeast Idaho, Janet C. Anderson Center at ISU, and the Pocatello Police Department.

This event is sponsored by the Bannock County Domestic Violence/Sexual Assault Task Force. This service is a time of reflection and remembrance. We hope you'll join us!
